OYSTERS FOR VOTES.

A Novel Feature Introduced Into the Campaign in Old Virginia.

THE DEMOCRATS STEAL A MARCH

On General Mahone by Fishing for Colored Votes in the Black Belt.

SIGHTS TO MAKE DELMONICO WEEP.

PSPECIAL TELEGRAM TO THE DISPATCH. RICHMOND, VA., October 30 .- "Ef I vote for Mahone, I hope I may drap daid at de polls." This assertion was made here today by a well-known colored man known as Oyster George, of Reuger's Band. Whether or not Oyster George has gotten wind of the great oyster bakes now in progress in Acomac and Northampton counties, is not known, but it looks that way, since it takes a bold colored man to assert his determination to vote against Mahone,

These counties are in the tidewater part of the State, where the black vote is large and where Mahone has hitherto had much strength. This region has been neglected by the boss this time. He considered it so sufe as to be beyond the need of watching, but the neglect may have cost him both counties. The Democrats, following up the barbecue idea, are giving the negroes of Northampton and Accomac monster oyster bakes at night, and reports from there state that these bakes are doing fine work in turning the negroes against Mahone. The whites bear all the expenses,

DOLLAR OYSTERS NOT 100 GOOD. "Why, sir," said a committeeman from that section, "they are giving them negroes oysters by the thousand that Delmonico would give a dollar apiece for."

The whole of the oyster region is being

worked. In York county the noted Norton brothers, two mulattoes of more than average intelligence, are among the kickers. One of them was at one time in the Virginia Senate, and was Mahone's right hand man in controlling the blacks.

Despite all talk to the contrary, the Democrats are disposed to treat the negroes kindly; and, so far as can be ascertained, are trying to win them by persuasive rather than harsh measures. That they could win many of them is conceded, were it not for the negro's superstitious terror of Federal office holders. As soon as a man is given any commission from the United States Government he seems to have an influence with the negroes that overcomes everything

THE DENSE IGNORANCE.

An instance of the dense ignorance that exists among many of them has just transpired. McKinney, the Democratic nominee, is a native of Prince Edward county. It is in what is known as the "Black Belt." Two negro women went to the gubernatorial mausion and asked if Mrs. McKinney was in. The servant told them that the Governor lived there, but Mrs. McKinney did not. The women hemmed and hawed, evidently convinced that there was a mistake. dently convinced that there was a mistake. Finally Mrs. Governor Lee came to the door, and with a ready wit told them that Mrs. McKinney did not live there then, but would move in on the 1st of January. The two women went away satisfied with that. They had beard that McKinney was Governor, and had come to apply for aituations on the score of themselves being natives of

Prince Edward county.

The anathemas against mixing religion with politics pronounced by John Jasper, the sun prophet, hurt the native Mahone preacher movement in the cities. Unless Mahone minds his hold upon them, he will lose their influence, as the religious papers of the denominations to which they belong have opened fire on them.

BIG BLAZE AT WHEELING.

A \$25.000 Fire Destroys the Stock of a Wholesale Grocery Firm.

er 30.-About 7 o'clock this evening fire broke out in the wholesal grocery and canned goods house of George K. McMechen & Son, on Main street, between Fourteenth and South streets. It was a four-story building, packed from cellar to garret with an immense stock of goods. Before the fire department arrived the fire had good headway and a general alarm was turned in. For a time it looked as though the entire valuable block was doomed, but the fire was soon under

McMechen's store was entirely destroyed, and acchechen's store was entirely destroyed, and the building, which was owned by Charles Scoffler, was gutted. McMechen's total loss will reach \$25,000, with \$18,000 insurance. The loss on the building was \$5,000. Hutchinson's sad-dlery in the adjoining building was slightly damaged, the loss being covered by insurance. The cause of the fire is unknown.

NO POLITICS FOR THEM.

Scottdale Knights of Labor Will Not be the Tools of Any Party.

EFFECIAL TELEGRAM TO THE DISPATCH. SCGTTDALE, October 30.-The Executive Board of Subdivision No. 4, composed of Knights of Labor coke workers and miners of the Connellsville region, have issued a circular defining their position on the political question The c'rcular states that in order to forests anything which may be said, in the papers or anything which may be said, in the papers or elsewhere, as to the political preferences of the organization, the committee declares that they have not nor will not, as Knights of Labor, by act or word, indorse or oppose the candidates of any political party because of the party.

The circular closes by hoping that all political parties will imitate their example and assume the responsibility of their own acts, and not attempt to use the Knights of Labor as a stepladder by which they may climb into power, after which they will most likely kick it into the ditch.

GAS FIRES WILL GO OUT.

Thirty-Two Thousand of Them to be Abandened at Once. SPECIAL TELEGRAN TO THE DISPATCH. ERIE, October 30.-The Board of Trade held a meeting to-night, at which reports of the conference held with the Pennsylvania Gas

conference held with the Pennsylvania Gas Company were read. A representative of the company, in commenting upon the advance in prices and in speculating as to the future, declared that the people would be paying 50 cents a thousand for it.

After to-morrow 32,000 gas fires in Erie will be abandoned. The Board of Trade appointed a committee of five to proceed at once to investigate the local gas resources, with a view of developing them in opposition to the Pennsylvania Company.

THE BLOCKADE BROKEN.

The Conl Fleet Passes Rochester Without Any Serious Accident. ISPECIAL TELEGRAM TO THE DISPATCH.

ROCHESTER, October 30.-This has been one, owing to the rivermen and a very trying one, owing to the false pier at the Pittsburg and Lake Erie bridge. The blockade of last night Mas cleared up to-day. To-day at noon about 30 boats were moored here. The only accident occurring was on the J. S. Neaf. One of the hands was thrown overboard, but rescued.

About 100 boats have passed through. The Bob Connell is tied up to-night and will wait for daylight. The loss thus far has been one barge by the Lud Keefer, two by the Jutte and five by the Pierrepont.

BOTH SIDES UNDER ARMS.

The Hatfields and McCoys Likely to Open War at any Time. PECIAL TRLEGRAN TO THE DISPATOR.

WENELING, October 30.—The only news from the scene of the Brumfield-McCoy-Haley mdetta to night is to the effect that each side yendetta to hight is to the effect that each side has a large armed force and hostilities may be begun at any time.

The scene of the difficulty is 30 miles from the nearest telegraph station, and all dispatches purporting to give an account of a battle between the factions are unreliable.

AN ALLEGED PITTSBURG CROOK. Man Arrested in Wheeling Charged With

Defranding Merchants. WHELING, October 30.—About 6 o'clock this evening a crook giving his name as John Howard and claiming to reside four miles from East Liberty, Pittsburg, was arrested on a charge of persenating the collector of the house furnishing firm of House & Hermann, and obtaining considerable sums of money from the customers.

the customers.

From the big lot of business cards found on Howard, bearing the names of furniture firms as far South as Florida, it is surmised be has been doing a very extensive business in this line and must have innumerable victims.

MAN AND MONEY MISSING.

Lima Bookkeeper Thought to Have Absconded With the Firm's Money. CLEVELAND, October 30.—James M. Reeves, former bookkeeper and lately traveling man for Moore Bros., wholesale grocers at Lima, is believed to have absconded, about \$1.500 in debt to the firm. He was last heard from at Decatur, Ind.

Gambling is said to have caused his downfall. Reeves has a wife and three small sons.

They Prove an Alibi. PEPECIAL TELEGRAM TO THE DISPATCH. GREENSBURG, October 30.-It has been clearly shown by corroberative testimony in the mill-burning case to-day that Hetzel and Francis, the defendants, were in Pittsburg the night the mill was burned. The prosecution will attempt to prove that the hotel register at the Rush House was "doctored" for the occa-ion.

Pelanders Resort to Dynamite. SPECIAL TELEGRAM TO THE DISPATCH. Polanders at Plymouth to-day attempted to blow up a double blockhouse attached to the Polish parish with dynamite. Bishop O'Hara received the rent from the property, which angered the Poles. WILKESBARRE October 30 .- The rebellion

A CITY IN THE SKY.

Another Description of the Wonderfel Mir-

CHICAGO, October 30.-Mr. L. B. French, who has recently returned from Alaska, saw the wonderful and much written about mirage, which has been named the "Silent City." It is occasionally visible in the summer season from certain points in Glacier Bay. He describes it as follows: "About 5 o'clock on the afternoon of an early July day we suddenly perceived, rising above the Glacier over in the direction of Mount Fairweather what at first appeared to be a thin, misty cloud. It soon became clearer, and we distinctly saw a spectre city moving toward us. We could plainly see houses, well-defined streets and trees. Here and there rose tall spires over huge buildings which appeared to be ancient mosques or cathedrals. It was a large city, one which would contain at least 100,000 inhabitants. I have seen Milwaukee miraged over Lake Michigan, and this city appeared considerably larger than that.

"It die not look like a modern city—more like an ancient European city. I noticed particularly the immense height of the spires. Of course, we were much excited. The Indians who were with us were overcome by their superstitions fear and ran away. We both had cameras, and separated in order to take it from different points of view. By the time we reached points of vantage it had grown fainter and soon disappeared. I should say the spectacle lasted about 25 minutes." as follows: "About 5 o'clock on the afternoon

Sick Headache

IS a complaint from which many suffer and few are entirely free. Its cause is indigestion and a sluggish liver, the cure for which is readily found in the use of Ayer's Pills.

"I have found that for sick headache, caused by a disordered condition of the stomach, Ayer's Pills are the most reliable remedy."—Samuel C. Bradburn, Worthington, Mass. "After the use of Ayer's Pills for

many years, in my practice and family, I am justified in saying that they are an excellent cathartic and liver medicine—sustaining all the claims made for them."

—W. A. Westfall, M. D., V. P. Austin & N. W. Railway Co., Burnet, Texas.

"Ayer's Pills are the best medicine known to me for regulating the bowels, and for all diseases caused by a disordered stomach and liver. I suffered for over three years from headache, indigestion, and constipation. I had no appetite and was weak and nervous most of the time. By using three boxes of Ayer's Pills, and at the same time dieting myself, I was completely cured."
